About ARCH Language Network

ARCH Language Network is a premiere provider of comprehensive language communication services for the Twin Cities, Greater Minnesota, and beyond. Representing **over 48 languages**, ARCH Language Network's team of highly trained, experienced professionals offers **face-to-face interpreting, phone interpreting and document translation** to clients in the **healthcare, legal, social services, corporations, schools**, and more.

ARCH Language Network Today

While **our services and language catalog** have expanded over the year, we have remained steadfast in our founding mission **"to provide excellent and culturally competent interpreting and translation services to organizations that serve limited-English speakers."** We consistently provide continuing education to enhance our interpreters' interpreting skills, terminology in all fields (medical, business, legal, etc.) and cultural awareness.

Requesting an Interpreter

ARCH representatives are available 24 hours a day to assist you with your interpreting needs. We provide five different ways of requesting an interpreter through our agency:

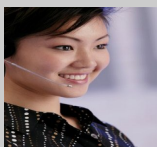

On-line— <https://schedule.archlanguage.com>
You are assigned a log-in and password. For instructions, reference the Online Interpreter Services Instruction Guide & Overview.

E-mail - info@archlanguage.com
Attach a completed request form to an email, or simply annotate the appointment information in an email. A completed request form will be faxed to you with the assigned interpreters name.

Fax-(651) 789 -7898
Complete an interpreter request form and fax it to the number above. A confirmation with the assigned interpreters name will be fax back to you.

Telephone- (651) 789 -7897
Call to speak directly with a scheduler. If an interpreter is needed immediately, telephone is the best manner to submit your request.

Online Chat - Interpreter requests and questions about our services are also available through online chat at www.archlanguage.com

Our Interpreters/Translators

We provide quality customer service along with quality work.

Our interpreters are put through a cutting-edge screening process, to ensure that customers are only provided with excellent and professional interpreters.

They are also well aware of the expected standards of the role of an interpreter in medical, legal, and professional settings.

Each interpreter is provided with and required to follow Interpreter Code of Ethics that we as a company pride ourselves in upholding.

Our translators are certified and tested to provide an accurate translation every time!

Each translation is verified by a second translator to assure quality and proficiency in each document.
